Author's Words

Satoshi Yamamoto

I like drawing characters who have a lot of shortcomings. For a while since the start of this chapter, Red has always been a carefree and positive character, someone I find hard to identify with. But when I portrayed him down in the dumps in Volume 24, after he lost in battle, I was finally able to feel just that little bit closer to this boy called Red. It would be great if all the readers also feel the same way I do after reading this book!

Hidenori Kusaka

2006 was a busy year for all Pokémon fans out there, as we saw the back-to-back releases of Pokémon Ranger and Diamond/Pearl. Hardware-wise, the DS was a tremendous hit, and the Wii went on sale. Thinking back to the Game Boy days, games have sure come a long way. On the other hand, Pokémon Adventures hasn't changed much since it started. Hmm... Well, comics can't have a sudden increase in capacity or a thorough revamp in controls, unlike games! Anyway, I sincerely hope that we can beat 'em in terms of content, at least!!

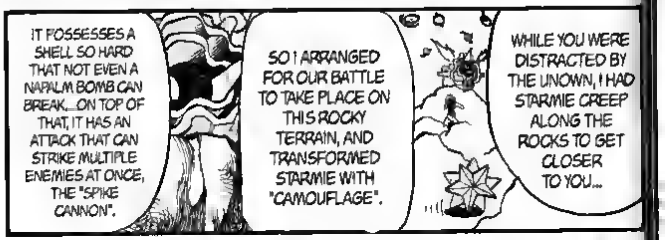
CLOYSTER IS THE TOUGHEST POKÉMON YOU HAVE IN YOUR ARSENAL.
THUD



IT POSSESSES A SHELL SO HARD THAT NOT EVEN A NAPALM BOMB CAN BREAK...ON TOP OF THAT, IT HAS AN ATTACK THAT CAN STRIKE MULTIPLE ENEMIES AT ONCE, THE "SPIKE CANNON".
SO I ARRANGED FOR OUR BATTLE TO TAKE PLACE ON THIS ROCKY TERRAIN, AND TRANSFORMED STARMIE WITH "CAMOUFLAGE".
WHILE YOU WERE DISTRACTED BY THE UNOWN, I HAD STARMIE CREEP ALONG THE ROCKS TO GET CLOSER TO YOU...

YOU MADE USE... OF ALL THOSE UNOWN...
...JUST TO SET UP A TRAP...

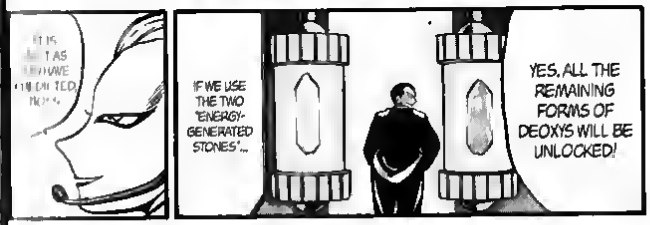
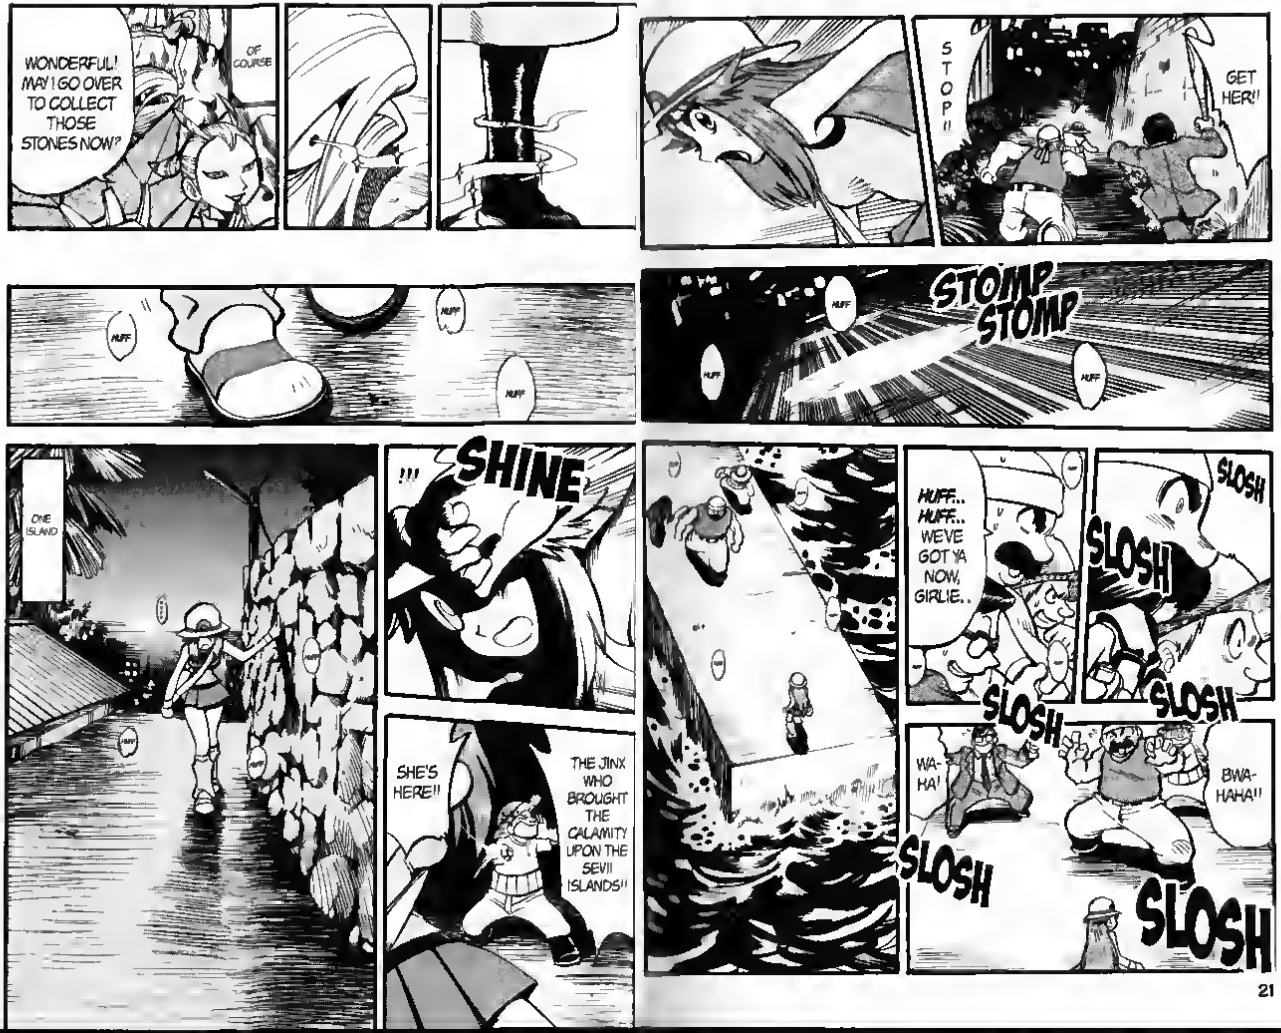
CARR APPEARS TO BE DOING WELL AT FIVE ISLAND, TOO.

HE REPORTED THAT DEOXYS HAS APPEARED THERE... BESIDES ITS LATENT "NORMAL FORM"...
...IT IS ALSO CAPABLE OF MORPHING INTO "ATTACK" AND "DEFENSE" MODES.



IF WE USE THE TWO "ENERGY-GENERATED STONES"...
YES, ALL THE REMAINING FORMS OF DEOXYS WILL BE UNLOCKED!



WONDERFUL! MAY I GO OVER TO COLLECT THOSE STONES NOW?
OF COURSE
STOP!!
GET HER!!
